PA Code Training Consortium

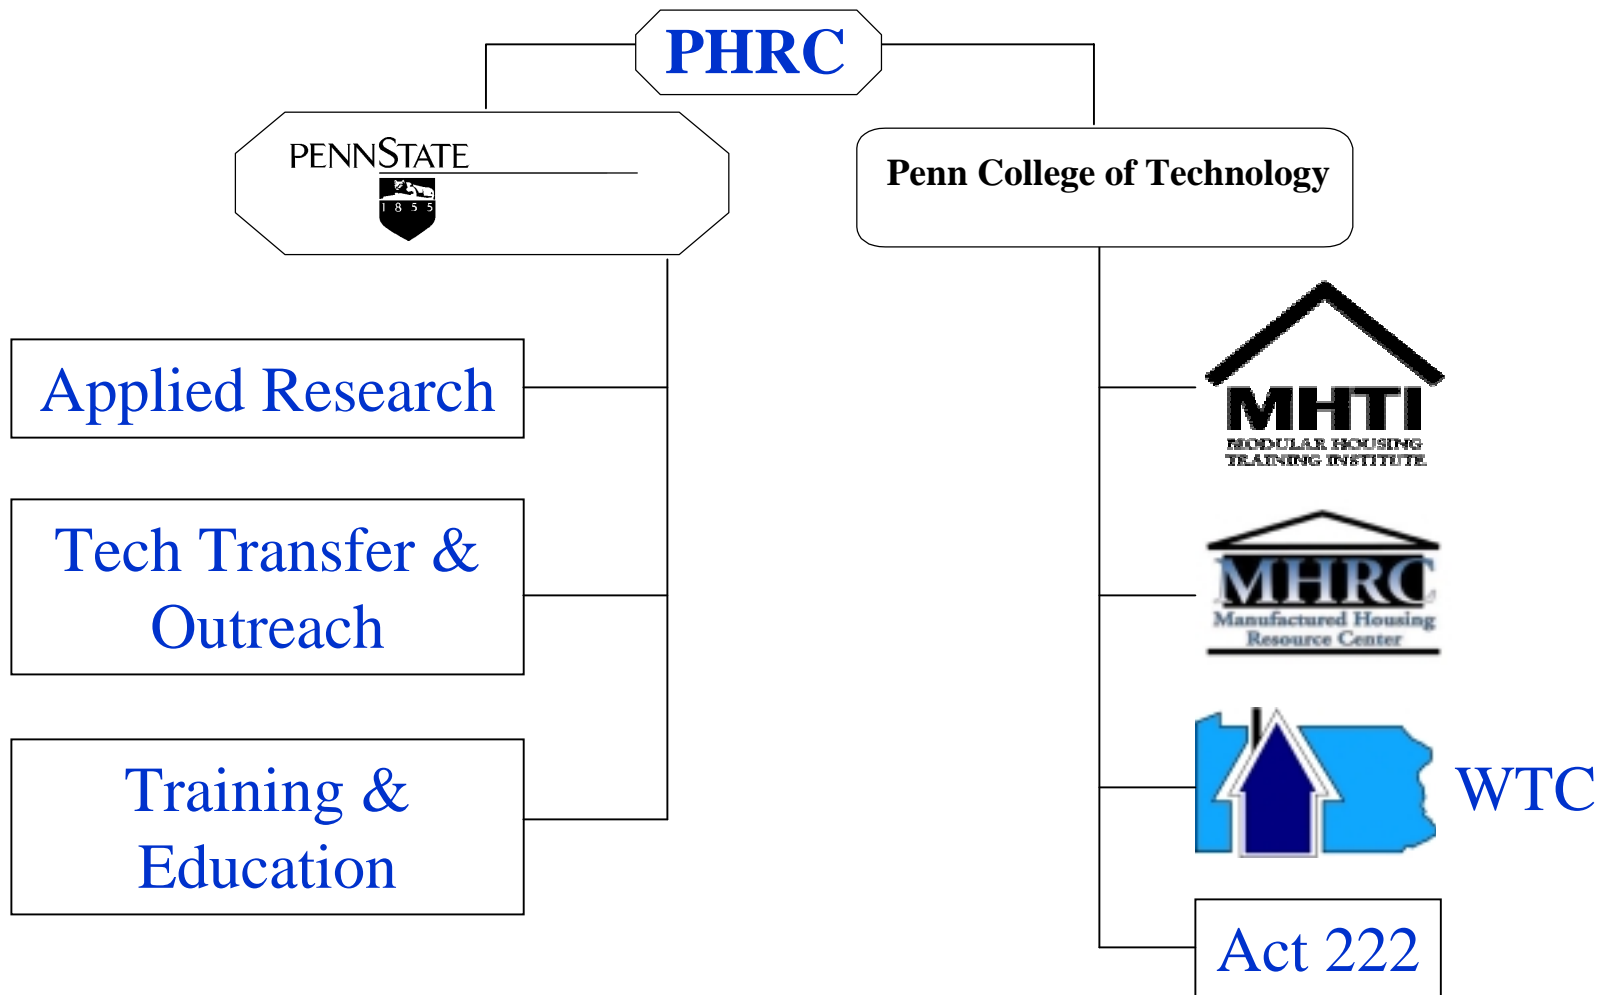

Building Code Training

PHRC Organization

PHRC Organization

What We Do

The PA Situation

1. Passage of **Statewide Building Code**.
2. Existing energy code is **out-of-date and not enforced**.
3. State Regulations will require **code official certification on energy**.

PHRC Report No. 61

**Building Code
Training Needs
in Pennsylvania**

December 1998

Recommendations

1. Establish Building Code Training Consortium.
2. New and Emerging Technology Workshops for Code Officials.
3. Building Code Training for Residential Contractors.

PA^CODE T^RAINING C^ONSORTIUM

Improving the Availability
of Building Code Training
in Pennsylvania

Mission

The CTC Seeks to:

1. Improve the availability of building code training,
2. Encourage multi-disciplinary training, and
3. Identify and meet training needs.

Membership:

- Open to anyone
- Membership focuses on:
 - training providers, and
 - those who need training
- **CO\$T – Free – Zip – Zero - Nada**

Members
